Augie,

Timing is of the essence. With the POLA petition, we are well over the 50% petition threshold. If we can get the petition by 10:00am today, it will save us 2 weeks time. We really need this buffer since the LA City Council will recess for most of the month of July. There is a lengthy process between now and then that I can go over with you in detail.

Thank you for all of your efforts.

Best regards,
